

# mission zero

## Calderdale Fast Track Health Initiative

### By 2030 we aim to:

- end all new cases of HIV, TB and viral hepatitis within Calderdale
- eradicate all preventable deaths from HIV, TB and viral hepatitis related causes
- stop HIV, TB and viral hepatitis related discrimination and stigma.

#### **Take control of your health:**

get tested and know your status.

#### **Treatment works:**

access treatment and care services.

#### **Support is available:**

reach out for support and resources.

**Mission Zero** is a partnership with local healthcare providers, public health agencies and community organisations.
